

Conference on Infrastructure Delivery 20 November 2008

The second Annual SPAID Infrastructure Sector Conference will be held at the Gallagher Convention Centre in Midrand on 20 November.

This year's programme includes:

- Key note address by the **Minister of Provincial and Local Government, Mr Sicelo Shiceka**
- Address by the international speaker **Dr Ioannis Kessides, a Lead Economist at the World Bank's Development Research Group**
- Review of the progress on the Asgi-SA infrastructure delivery programme
- Review of the international experience of infrastructure delivery
- Release of the **second report of the SPAID Infrastructure Inputs Monitoring Project.**

This conference will review infrastructure delivery in South Africa, highlight international and national experience, and discuss the challenges facing the public and private sectors in terms of infrastructure delivery. It aims to encourage closer co-operation between stakeholders in the delivery of infrastructure.

SPAID (Support Programme for Accelerated Infrastructure Delivery) is a partnership between the Business Trust and the Presidency of the South African government.

SPAID was established by the Business Trust to develop innovative ways of combining the resources of business and government to accelerate the achievement of the government's infrastructure development targets.
